Instructions for Ad Submission

Option 1: We can design the ad for you _____

Send us a typed message and digital photographs (preferably on a CD) and we will use our expertise to design a beautiful Ad for you! You may also specify personal touches such as fonts and colors.

Option 2: Create your own Ad _____

Your Ad may be digital or on paper.

If you Ad is digital please make sure photos are clear and not fuzzy or pixilated.

If on paper, you may create the ad like a scrapbook page where all text photos and designs are secured to the page and ready for us to reproduce.

Photos

- Each Ad contains a number of photos; supply enough pictures to fill the photo blocks in the Ad you chose.
- DO NOT send original copies of any photo.
- Submit Hi-Resolution digital photos (300ppi) (jpg)

Text

- Please write (print) your message legibly on the Ad order form or you may type or print it on a separate sheet and attach it to the order form.
- Take into account the size of your Ad when writing your message to your student. A large quantity of text in any ad will end up being set in small type which may not be easy to read.
