## ***Meeting Minutes***

30 November 2011

### **I. Call to order**

Chairman Isom called to order the regular meeting of the James S. Rickards High School Site-Based Decision Making Council (aka Site) at 2:12pm on 30 November 2011 in Room 1423.

### **II. Roll call**

Bob McBride conducted a roll call. The following persons were present: Isom, S. Moore, Dr. Gayle, Wilson, Fishburn, McBride, Simmons

Also in attendance were: C. R. Edwards, Wright, Whitfield

Absent were: K. Jones (teacher leadership training), Dr. Williams (IB conference), SGA representative William Matthews

### **III. Approval of minutes from last meeting**

Chairman Isom read the minutes from the last meeting. The minutes were approved as read.

### **IV. Open issues**

- a) There were no old/open issues for discussion.
- b) The *Tardiness Forgiveness Policy* was resent to all faculty per discussion in the last meeting.

### **V. New business**

- a) Ms. Moore requested clarification of student-athlete participation in sporting events if said athlete has excessive tardies and/or absences in a teacher's class. Mr. Edwards clarified that there is currently nothing in Leon County Schools policy that would prevent a student from participating in events based solely on excessive tardies and/or absences. Further discussion yielded the recommendations to (1) talk with the appropriate athletic coach for assistance and (2) dutifully note the student's attendance so that the Attendance Failure policy may be implemented.
- b) Dr. Gayle explained the listing of supplements currently used at JSRHS. Further discussion identified two line items that held transpositions and incorrect names. Dr. Gayle noted that Mr. Rauschenberg is slated for three supplements currently. Discussion of the item clarified that there are no other teachers currently desiring to coach the sports for which Mr. Rauschenberg is receiving supplements.

- c) Chairman Isom and Dr. Gayle noted that Mr. Rauschenberg's supplements must be approved by Site. Ms. Wilson moved that the AY2011 Supplements Listing be approved as described including the revisions for the transposition and name corrections. Ms. Fishburn seconded the motion. The vote was unanimous to accept the AY2011 Supplements Listing as described including the revisions for the transposition and name corrections.

## **VI. Adjournment**

Chairman Isom adjourned the meeting at 2:31pm.
